Pledge To Our Customers

Silver Spurs Equine pledges to provide the finest stallions at very reasonable fees, only ship high quality semen, and provide great customer service.

Last year in addition to providing our breeders terrific early booking discounts, we introduced our new semen shipping program where for domestic shipments the first shipment is included in our breeding fee and all subsequent shipments FedEx weekday delivery are only \$95!!!

When you breed with Silver Spurs you can receive semen shipped right to your vet's door for less than you would pay anywhere else for a local pickup without the driving hassle!

SILVER SPURS GIVES BACK:

The majority of the profits we earn from our stallion breeding program, the sale of a Silver Spurs bred yearling or 2-year old prospect, and a Silver Spurs Saddle are donated to support the NRHA, AQHA and NRCHA. We are very proud to announce that thanks to your 2016 support of Silver Spurs, **in 2017 we will donate over \$540,000 to support the NRHA, AQHA, and NRCHA.** Since Michelle is a non-pro herself most of our donations to the NRHA and NRHA affiliates directly support non-pro events. Some of the NRHA programs exclusively funded by Silver Spurs Equine include:

The NRHA Green Reiner Program, NRHA Rookie of the Year, NRHA 7 and Up Non Pro Derby, and AQHA Shootout Team NRHA. In addition, Silver Spurs is the Title Sponsor of the Non-Pro Futurity at the Congress. In 2016 the Shootout at the Futurity will be back! It is one of our favorite events and we really missed it last year so Silver Spurs funded it for everyone to enjoy.

When you purchase a breeding, prospect horse or a saddle from Silver Spurs not only are you investing in a great stallion, prospect or saddle, you are also investing in and supporting our industry!

BREEDING PROGRAM FOR 2017

This year we are going to make breeding with Silver Spurs even easier! We will continue our early booking breeding program for the first 75 mares booked to each stallion. However, this year we will not have a deadline. The early booking price for a stallion will continue until we have booked 75 mares to that stallion, even if it takes until June! Plus, don't be surprised if you see special sales on certain stallions going on at various times throughout the breeding season.

- **The first domestic shipment of semen FedEx** for "Michelle's 21" stallions will continue to be included in the breeding fee and all subsequent shipments FedEx weekday delivery will continue to be only \$95.00

- **Our highly successful FREE Junior Stallion Breeding** will continue to be attached to every sale of a "Michelle's 21" stallion breeding. Now that our junior stallion foals are hitting the ground and breeders are seeing for themselves what great sires they are, in 2016 we sold more breeding's to our Junior's than we gave away.
- **To welcome back our 2016 breeder's** and thank them for their loyalty we will continue our 5% credit program where all of our 2016 breeders receive a credit towards any breeding they purchase in 2017 totaling 5% of what they spent breeding with us during the 2016 season and the minimum credit will be \$100.00!
- **Every 2017 breeder will receive** a 10% discount coupon redeemable at Scottsdale Western world for the purchase of a Silver Spurs Saddle or tack.

PROSPECTS

In addition to offering many of the finest breeding stallions in the Reining, Working Cow, Halter, and Barrel industries, Silver Spurs has acquired several high earning and producing mares. Each year we breed our stallions to these mares and produce an annual foal crop of 30 to 40 high quality foals.

We sell ALL of our foals as yearlings and 2-year olds. We do NOT cherry pick our crop, every foal is for sale. As a breeder it is much more important for us to have a prospect we bred go into the winner's circle owned by one of our customers. All we care about is that the winning horse either have the Silver Spurs brand on its hip or was sired by a Silver Spurs Stallion!

Here are some of the incredible mares out of whom you can purchase yearlings or 2-year olds sired by our magnificent stallions:

2005 Black Stallion GALLO DEL CIELO x HUSTLERS SUGAR

BREEDING FEE: \$850 • EARLY BOOKING DISCOUNT \$425

This stallion has tested n/n for all AQHA 5 panel tests, Stallion height: 15.1 Hands

Captain Barbossa – The full brother to Roosters Wrangler, standing at a majestic 15.2 hands Captain Barbossa “Jack” was purchased by Silver Spurs and became our #1 prospect for the 2008 NRHA Futurity. Unfortunately a freak accident in the shower stall took out his right eye.

We took Jack to the Futurity anyway but his turns and rollbacks on his blind side were just too choppy and he did not make it past the first go.

Our assistant trainer took Jack over and has worked with him over the years and he did well in the Rookie Professional and Limited Open Classes. His NRHA earnings are \$825. Here is a horse that was destined for greatness but because of injury never had the chance. If you are looking for a stallion that will throw off height, talent, athleticism and a willingness to train regardless of the obstacles – Captain Barbossa is the stallion for you.

This stallion has tested n/n for all AQHA 5 panel tests, Stallion height: 14.3 Hands

ACHIEVEMENTS:

★ 2009 CACTUS REINING CLASSIC INTERMEDIATE OPEN CHAMPION

With his impressive bloodline and flashy conformation China has established himself as an important part of the breeding program here at Silver Spurs, as well as being a serious contender in the show pen, his first foals are stunning.

Finest China Rose ("China") was Silver Spurs #1 prospect for the 2006 NRHA Futurity. Unfortunately China came down with a bad case of ulcers that prevented him from competing in the Futurity and those ulcers eventually turned into colitis.

China had to undergo a five hour operation where the surgeons removed over 5 feet of his large intestine and took over a year to recover. Even though China fully recovered the operation had taken its toll. China would never be the open champion he was bred and trained to become. If you are looking for a stallion that will throw off incredible talent, athleticism, great looks, with a heart that will make him/her willing to do anything, and is very easy to train – Finest China Rose is the stallion for you.

SIRE RECORD: 3 foals of Performance Age. No performers yet.

Haboomamatada "Matada" is the perfect crossover breeding for reining or working cow/cutting. An incredibly talented horse out of a daughter of Smart Little Lena, this stallion who is the spitting image of his Hall of Fame sire – Boomernic, has everything it takes to breed a champion in whatever discipline you desire depending on the mare you breed him to.

During his first two outings he came in 3rd and the Scottsdale Classic Open Futurity and was a finalist at the HRRC Derby. While his total NRHA earnings are over \$1,560, Matada himself is truly bred for cutting so we stopped showing him as a four year old.

If you are looking to breed to an incredible stallion for multi disciplines and get the best of Boomernic without paying Boomernic prices – Haboomamatada is the stallion for you.

Ruf Conqueror – Sired by our fantastic Conquistador Whiz and out of a daughter of the great Lil Ruf Peppy, Ruf Conqueror “Pumpkin” in our opinion was the best that Conquistador Whiz ever produced. Pumpkin was an absolute machine and everyone wanted him. Pumpkin was fully ready to show as a 2-yr old, he was our ticket to win the 2007 NRHA Futurity.

Unfortunately right before the pre-futurity season Pumpkin got EPM! He was treated and while he recovered he never got past 90% and could never compete.

If you want the best of Conquistador Whiz without paying Conquistador Whiz prices – Ruf Conqueror is the stallion for you.
